## HOLECTRON

ULA M/S

• For indoor use only. Product installation must be carried out by a qualified professional. Before installing make sure, that electrical power is turned **OFF**. Before installing make sure, that the fixing area can bear the total weight of the luminaire. Pay attention to polarity when connecting (installing) the product. Do not operate if the luminaire has been damaged. • To protect the surface from dirt and fingerprints, we recommend the use of protective gloves during installation. • Product warranty does not cover any damage caused by faulty installation and/or misuse. • For further information, please contact the manufacturer.
